

Join the Main Street Program Team!

The Town of Kiowa is looking for volunteers to join our team! We are forming a new Main Street organization dedicated to revitalizing our downtown. By collaborating with organizations and leaders at the local, state, and national levels, our program protects the historic character of our downtown and promotes shared prosperity across our community.

Our volunteer Board of Directors and subcommittees are responsible for carrying out the work to achieve our future mission and vision. Following selection, Colorado Main Street will assist them in completing this work.

If you seek opportunities to get involved in Kiowa, please complete the form below to tell us more about your interest. We hope to have representatives from our community: non-profits, businesses, residents, partners, and key stakeholders.

A panel, including the Colorado Main Street program staff, will select the board and subcommittees to get us underway. We will review applications without personally identifying info to avoid personal bias and choose through a scoring matrix. Town staff will remove all personal information before distributing applications to the panel and not be part of the voting process.
